

Mrs. Harris's

# June

class newsletter

I can't believe it is the end of the school year already! Looking back over this year, we have learned a lot, had lots of fun, and grew as well. In May we finished our multiplication unit (my math class), and worked a lot on fairy tales. We read fairy tales, examined their traits, and wrote fairy tales! We also finished the last book in our "Brian Series", *Brian's Hunt*. We have now started *The Bridge to Terabithia*. We took our NWEAs in May and had outstanding math and reading scores! We also did lots of reading as the Books for Bikes was a great success! As we prepare for the end of the school year I encourage you to check your homes for any of our library books, check to see if you have any unpaid lunch balances, and return any borrowed CRS materials. I can't even begin to thank you for all of your at home support! Please know it has been a pleasure to have your child in my class this year!

## Important Dates
